

tion, which is the best answer

Negotiate versus Litigation

er for the Mission Valley?

Negotiation

\$1.5 to \$2 million per year

Maybe 5 to 10 years

Don't have to file claims

Individuals won't need attorneys

More water than if litigate

CSKT management role

Damage claim included

Flexibility in making adjustments and changes

Litigation

Up to \$4 to \$6 million per year

Maybe 40 years, e.g. Wind River

CSKT must file claims

Each claimant must pay for lawyers and experts for every claim filed

Less water

CSKT management limited

Damage claim a separate suit

No flexibility to adjust or change without re-opening litigation

CSKT Water Rights Litigation?
